**Temat:** Latest news from United Way Europe and Middle East

## United Way Europe and Middle East Region

Thank you to all European and Middle East CEOs, Staffs and Board Members for attending the Community Leaders Conference (CLC) in Vancouver last month. Your energy, ideas and leadership contributed to making our first truly international conference a resounding success!

Please note that the smartphone App is available all year long and allows you to reach all the people registered as attendees.

You could review all session materials or watch the general sessions by visiting the **Digital Resource Center**.

- To view all learning session materials, [click here](#).
- To view recordings of each general session, [click here](#).

**SAVE THE DATE!** Next year's CLC will be head to Orlando, Florida - May 10-12, 2017.

## YOUR GLOBAL MARKETPLACE

13 JUNE - 1 JULY 2016 > EXHIBITION CENTRE LIVERPOOL

**United Way is the Philanthropy Partner** of the International Festival for Business 2016, the biggest business event in the world ([more information here](#)). With 13 boards members from France, Spain, UK, Liverpool, Hungary, Romania, we want to take this opportunity to:

- highlight our work in Europe to the international business community, seed new partnerships for the region, network with other business leaders,
- create greater awareness of the work we are doing in the UK and in Liverpool,
- focus as board members on a collaborative approach to achieve greater community change across the region.

**United Way Poland** has launched the X<sup>th</sup> edition of the “World of Nikifory” competition. The aim of the competition is to promote the personal development of artists with intellectual disabilities and mental illnesses and to overcome social isolation, as well as to draw the public attention to the artistic value of art of people with disabilities. [More information here](#)

**United Way Poland & Fedex** collaboration: the aim of the new project is to create a system to support disadvantaged children:

- promoting educational opportunities for all by developing key learning competencies, such as communication in foreign languages, mathematical competence, basic competence in science and technology and language,
- promoting pro-health attitudes, increasing children's safety in traffic, home and schools,
- creating cultural awareness and developing visual imagination, creativity and ability to express feelings through a variety of artistic means.

**Matan /United Way Israel & SAP** held last month an arts & crafts fair for social businesses operated by non-profit organizations. The focus of the Fair was to raise awareness of the social needs of the community and to show the creativity and talent of the social sector.

On March 24, at the 11th edition of the **United Way Romania** Gala, people and organizations changing the community for the better were rewarded for their outstanding results over the year, obtained through their involvement in social projects developed by United Way Romania Foundation. [Read more here](#)

On May 15, at the Bucharest International Half Marathon, **United Way Romania** promoted health education for disadvantaged children, in order to give a chance to a 100 such children to start practicing a healthy lifestyle. This year's UWRo cause was promoted by national TV presenter and blogger Carmen Brumă, herself a fervent supporter of healthy eating and sports.

### United Way España is officially launched!

UW España is part of the global UWW Youth Opportunity initiative, and have been implementing great Education impact work for the past 2 years.

The Airbus Flying Challenge operates in Getafe and Puerto Real and have already inspired up to 246 young people to prepare successful adult lives in the past 2 years.
